

CABINET add-on

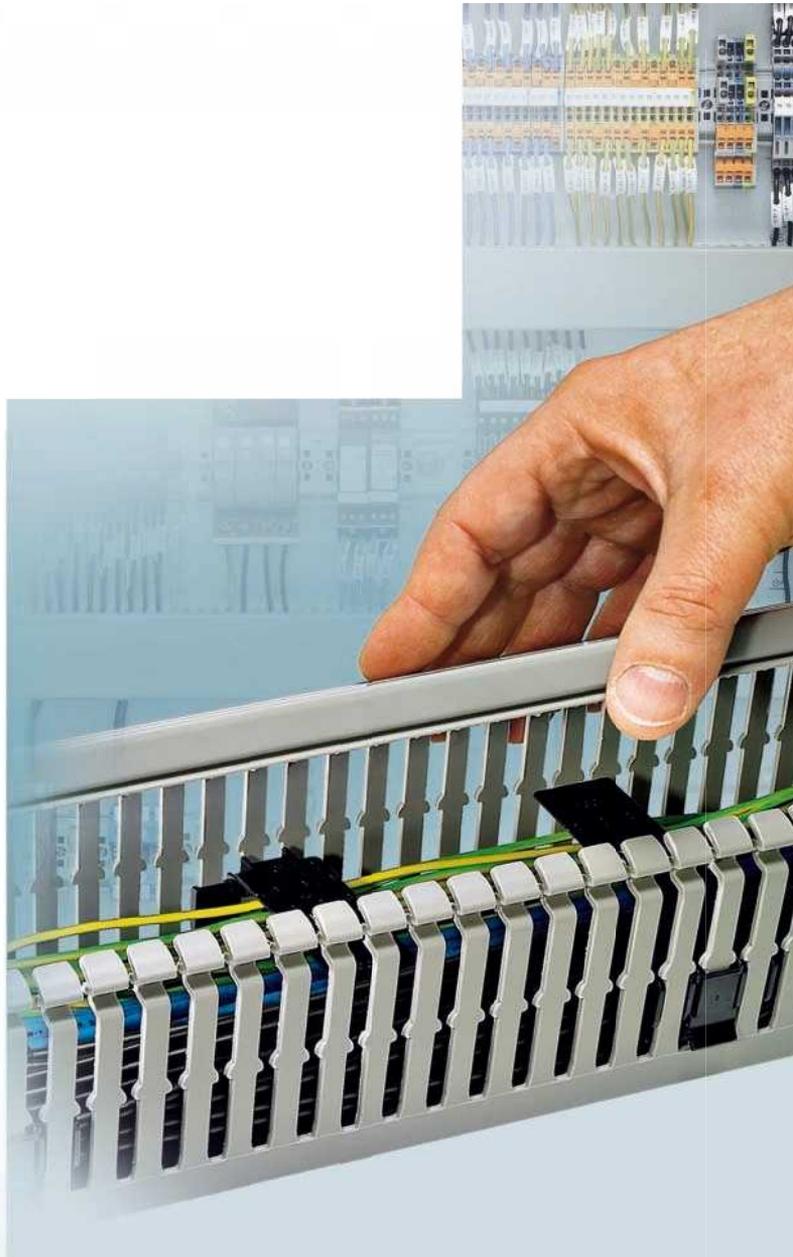

Cable ducts and DIN rails

Mounting material for control cabinets

The wide range of DIN rails and cable ducts enables flexible and optimum use of the available space in your control cabinet.

The cutting devices can be used to assemble DIN rails and cable ducts individually and cost-effectively.

The wide, angled heads of the cable duct webs ensure easy assembly and a secure hold of the cover.

Fast and reliable cutting

The cable duct cutter can be used to cut channels and covers with a width of up to 125 mm and a wall thickness of up to 2.5 mm in seconds, burr-free and non-cutting.

The spring-loaded knife protection provides the necessary safety.

Toolless assembly

The lateral webs in the cable duct can be snapped out easily by hand, burr-free and flush with the bottom. T-connections and cross-connections can thus be made fast and without transitions.

Neat wiring

Attaching special clips to the lateral webs of the cable duct ensures a secure hold of the installed conductors. Clear and fast wiring is thus possible in the control cabinet, even at a later date.

Gray cable ducts

Cable duct, consisting of upper and lower part

Approvals: 
 Material: PVC
 Inflammability as per UL 94: V0
 Slot distance: 6.5 mm
 Slot width: 6 mm
 Temperature-resistant: -5 up to +60 °C

	<p>○ For vertically elongated hole 3.5 x 12 mm</p>	PPS-ST (3,5x12)Q	1203550
	<p>○ For vertically elongated hole 4.5 x 12 mm</p>	PPS-ST (4,5x12)Q	1203547
	<p>○ For vertically elongated hole 5.5 x 12 mm</p>	PPS-ST (5,5x12)Q	1203411
	<p>○ For vertically elongated hole 6.35 x 15 mm</p>	PPS-ST (6,5x15)Q	1203408
	<p>For bore hole 3.8 mm Ø</p>	PPS-ST (3,8)	1204892
	<p>For bore hole 4.3 mm Ø</p>	PPS-ST (4,3)	1202616
	<p>For bore hole 5.3 mm Ø</p>	PPS-ST (5,3)	1202629
	<p>For bore hole 6.4 mm Ø</p>	PPS-ST (6,4)	1202632
<p>For bore hole 7 mm Ø</p>	PPS-ST (7,0)	1204889	
<p>For bore hole 8.4 mm Ø</p>	PPS-ST (8,4)	1202726	

Always up-to-date, always available to you. Here you'll find everything on our products, solutions and service:

phoenixcontact.net

Product range

- Cables and connectors
- Controllers and PLCs
- DIN rail power supplies and UPS
- Electronic reversing contactors and motor control
- Electronics housing
- Ethernet networks
- Fieldbus components and systems
- Functional safety
- HMIs and Industrial PCs
- I/O systems
- Industrial communication technology
- Industrial lighting
- Installation and mounting material
- Marking and labeling
- Measurement and control technology
- Modular terminal blocks
- Monitoring and signaling
- PCB Terminal Blocks and PCB Connectors
- Plug connectors
- Protective devices
- Relays
- Sensor cable and connectors
- Software
- Surge protection devices
- System cabling for DCS and PLC
- Tools
- Wireless data communication
